How to find your dedication in the book:

Use the list below in this order to find your loved one.

- If your dedication included the surname of your loved one, then search alphabetically using their surname.
- If your dedication only included the surname of who the dedication was from, search alphabetically using that surname.
- If the dedication does not contain either surname, then search alphabetically using the IMO name.
- If the IMO name does not contain a first or surname such as a nickname then search alphabetically using the nickname.
- If none of the above are applicable then these dedications will be found alphabetically in the anonymous section.

Click on the chapter links (in purple above) to go to the appropriate section:

You can also use the list view (on the left) to select various chapters. If you cannot see the list view the click on the
